2022 SCHEDULE

June: News of the World by
Paulette Giles

The Book Club of the Bruins of the South Bay is excited to announce that we will be meeting soon at the Hermosa Beach Senior Center. Our Book Club is open to anyone who loves to read and enjoys a non-stressful, welcoming environment, to talk about your reading experience. We read all genres of books and take suggestions from our book club members. The only requirement for a book suggestion is that it needs to be available in the library in print form.

While the pandemic still poses a threat to our health, we are meeting on Zoom. If you are interested in joining us, please contact Mary Louise Mavian at mistoffee03@hotmail.com.

You will be added to our Book Club email listserve.
